Please complete the pre-enrollment form and submit it at the program sites or at the Joseph A. Fernekes Recreation Building, 781 Tennis Drive in Orange Park. You may also mail it to 33 Arroyo Dr. SSF, CA 94080.

The application process begins in Spring of each year. Currently enrolled families have a priority enrollment, after that, enrollment is accepted on a first-come, first serve basis. Once you are accepted, you will then need to complete an application packet and attend a parent orientation.

A yearly waiting list is established at each site. When a space becomes available, the Coordinator or Supervisor will contact you and an orientation meeting will be scheduled. The waiting list is only maintained for the current school year and does not carry over to the next year. A new waiting list is established each year.

After School Recreation Program

The Licensed After School Recreation Program is designed for children enrolled in Kindergarten- 5th Grade. The After School Recreation Programs are licensed through the Department of Social Services, Community Care Licensing. Our Programs operate in accordance with the South San Francisco Unified School District days of operation calendar. The program is offered Monday through Friday from 7:30am to 6:00pm. Each program is designed as an expanded learning program to meet the academic, emotional, physical, and social needs and interests of the children enrolled. The program provides some academic support, recreation activities, and cultural enrichment through a play-based curriculum. Many of the activities planned for the children enrolled meet the CORE curriculum standards as we actively partner with the schools to ensure the children are on a pathway to a successful academic career.
