

# Are you prepared?

An estimated one- to two-inches of rain is expected now through Sunday. In addition, localized flooding in South San Francisco may be possible in poorly drained and low-lying areas.

Below are City resources, tips, and information to assist you in the event of heavy rainfall.

## Sandbags are available at the Corporation Yard

If you are in need of sandbags, residents are allowed to pick up 10 bags/household from Public Works, located at 550 N. Canal Street in South San Francisco

---

## Obey Posted Road Signs

Public works will be posting road signs in areas that are known to flood, as necessary, based on the weather. The City asks that you obey posted road closure, flooding signs and no parking signs.

### REMEMBER:

## Pick up Garbage

Public Works is asking all residents to keep garbage cans out of the street and to help pick up trash before it hits the storm drains. In addition, sweep up debris to help avoid clogging. If you see a backed up storm drain, please call **(650) 877-8550**.

---

## Who Can I Call?

If you have any questions or need assistance during business hours, please call (650) 877-8550.

**After hours**, please call (650) 877-8900
