CONSTRUCTION PROJECTS IN SSF

428 BADEN AVENUE

The sidewalk along the project's Baden Avenue frontage is closed. The sidewalk will be reopened in a subsequent phase of work. Pedestrian detour signage is deployed, noting a safe path of travel around the work area. Additionally, the project expects daily material deliveries, and additional truck traffic is expected. The contractor will maintain vehicular access to Baden Avenue and 3rd Lane. Drivers can expect minor delays. Construction flaggers will be deployed during material deliveries. Please always follow the signs and

safety personnel instructions.

CIVIC CAMPUS: LIBRARY, PARKS & RECREATION AND COMMUNITY THEATER/COUNCIL CHAMBERS (901 Civic Campus Way)

Daily material deliveries are scheduled, adding additional truck traffic along Civic Campus Way and Chestnut Avenue between 7:00 a.m. and 5:00 p.m.

The Civic Campus Way sidewalk along the project frontage is closed. Pedestrians are encouraged to use the sidewalk across the street in front of

the new Police Operations & 911 Dispatch Center. Detour signs are posted to guide pedestrians to a safe path of travel.

Civic Campus Way, north of Chestnut Avenue, is tentatively scheduled to be repaved in early October. Notice will be delivered to impacted residents/nearby businesses before work commences. The work will reduce street parking and travel effects to a single lane managed by traffic flaggers. Access to residential complexes will be maintained; however, momentary delays can be expected.

Sidewalk work along El Camino Real between Chestnut Avenue and Arroyo Drive continues through end of September. Detour signage will be deployed noting the safe path of travel around the impacted section when applicable. Minor impacts are expected to northbound El Camino Real between 9:00 a.m. and 3:00 p.m. as the shoulder/merge lane will be closed and used for construction.

Please always follow the signs and safety personnel instructions.

Smart Corridors Expansion Project

The Smart Corridor Expansion project is a joint effort by the City and Caltrans to develop a traffic management system along key arterial corridors that parallel US-101 and I-380. The Smart Corridor program provides public agencies the tools to safely manage traffic congestion through local streets during normal operating conditions, major freeway incidents, and special events.

The project stretches along the following:

1. Airport Blvd: US-101 (City limit) to Terminal Ct.
2. South Airport Blvd: Road 21 to Mitchell Ave.
3. Gateway Blvd: Mitchell Ave to Oyster Point Blvd.

Work will proceed daily (Monday through Friday). Some work will be performed at night to alleviate possible congestion resulting from this work. Upcoming work areas include:

Nighttime Work Areas (work hours 7:00 p.m. to 4:00 a.m.):

1. None

Daytime Work Areas (work hours 6:00 a.m. to 3:00 p.m.):

1. Butler Ave.
2. Southbound Airport Blvd. from Pine Ave. to Lux Ave.
3. Southbound Airport Blvd. at San Mateo Ave.
4. Gateway Blvd. and Grand Ave.
5. Northbound on S. Airport Blvd. at Wondercolor Ave.
6. Westbound E. Grand Ave. at Gateway Blvd.
7. Southbound Airport Blvd. at Tower Place.
8. Gateway Blvd between E. Grand Ave and Mitchell Ave.
9. Northbound Airport Blvd. at Pine Ave.
10. Southbound Airport Blvd. at Pine Ave.

Commuters can expect delays and are encouraged to use alternate routes.

30 Tanforan Avenue – Southline Development

Utility work continues impacting multiple streets and serving as a frontage to the project. The work is being phased to minimize vehicle and pedestrian travel disruptions. The work will proceed as follows:

- **S. Maple Avenue** between Tanforan Avenue and Browning Way: The work will reduce S. Maple Avenue to a single lane and will be managed by traffic flaggers to maintain two-way travel. No parking signs will be deployed on the impacted section. The work is proceeding after 9:00 a.m. daily.
- **Tanforan Avenue** between S. Maple Avenue and San Mateo Avenue: The work will reduce Tanforan Avenue to a single lane and will be managed

by traffic flaggers to maintain two-way travel. No parking signs will be deployed on the impacted section. The work is proceeding after 9:00 a.m. daily.

- **S. Linden Avenue** between Victory Avenue and Dollar Avenue parking will be restricted during working hours to allow temporary lane shifts to occur as work is underway between the hours of 9:00 a.m. and 5:00 p.m. Lane shifts will impact both the northbound and southbound travel on S. Linden Avenue.
- **Dollar Avenue** between Tanforan Avenue and S. Linden Avenue parking will be restricted during working hours to allow temporary lane shifts to occur between the hours of 9:00 a.m. and 5:00 p.m. Lane shifts will impact both the northbound and southbound travel on Dollar Avenue.

Commuters can expect delays and are encouraged to use alternate routes. Construction flaggers will be deployed to help maintain vehicular travel. Please always follow the signs and safety personnel instructions.

Grand Avenue & Airport Boulevard Streetscape Improvement

Streetscape improvement work at the intersection of Grand Avenue and Airport Boulevard continues. The work will improve all four corners of the intersection, including the medians. The work is being phased to minimize impacts, but due to the nature of the work, traffic control measures will remain up 24/7, with work proceeding daily, Monday through Friday, between 9:00 a.m. and 3:00 p.m.

The current work is scheduled on the southeast corner (across the way from gas station side/Caltrain station side). The work will result in single-lane closures impacting northbound travel along Airport Boulevard and eastbound

travel at Grand Avenue. Delays are expected.

Commuters are encouraged to use alternate routes. Construction flaggers will be deployed to help maintain vehicular travel when necessary. Pedestrian detour signage will be deployed, routing pedestrians around the work zones. Pedestrian access to Caltrain Station is maintained. Please always follow the signs and safety personnel instructions.

PG&E Substation (Gateway Blvd between E. Grand Avenue and Oyster Point Blvd)

Work continues along Gateway Boulevard between E. Grand Avenue and Oyster Point Boulevard. Work will result in a 24/7 lane closure on northbound Gateway Boulevard. Work is being phased to minimize impacts to travel. The work will proceed between 7:00 a.m. and 5:00 p.m. daily. Travel through Gateway Boulevard will be maintained, but commuters are encouraged to use alternate routes as there may be momentary delays. Construction flaggers will be deployed to help keep vehicular travel when necessary. The sidewalks will remain open as work is underway.

Nighttime work is scheduled the week of September 18 impacting the intersection of Oyster Point Blvd. and Gateway Blvd. Access through intersection will be maintained however work will result in lane closures between the hours of 8:00 p.m. and 5:00 a.m. Please always follow the signs and safety personnel instructions.

Kilroy Oyster Point Redevelopment Project (379 Oyster Point Blvd)

Contractor will be performing work that will impact Oyster Point Boulevard east of Gull Drive and the Marina. Work will result in lane shifts for a 24-hour period impacting both eastbound and westbound travel along Oyster Point Boulevard around the Marina. Delays are expected and commuters are encouraged to use alternate routes. Please always follow the signs and safety personnel

instructions.

Upcoming days of impacts:

- Friday, September 8
- Wednesday, September 20
- Monday, September 25 through Friday, September 29
