## CALTRANS SAFETY ENHANCEMENT PROJECT ON STATE ROUTE 82 (El Camino Real)

Caltrans is continuing a safety enhancement project in the city along State Route 82 (El Camino Real) between September 2023 and February 2024 (weather dependent). The project includes installing accessible pedestrian signals and countdown pedestrian signals at various locations. Work also includes painting red curbs from crosswalks to enhance safety for pedestrian's cyclist. Adding the red curbs is expected to enhance the sight lines between a pedestrian waiting to cross at the crosswalk and approaching traffic. Because of the safety enhancements, some parking spots are being removed.

Project will be impacting two locations in South San Francisco at Country Club Drive and Ponderosa Drive.
