CONSTRUCTION PROJECTS IN SSF

428 BADEN AVENUE

The sidewalk along the project's Baden Avenue frontage is closed. The sidewalk will be reopened in a subsequent phase of work. Pedestrian detour signage is deployed, noting a safe path of travel around the work area. Additionally, the project expects daily material deliveries, and additional truck traffic is expected. The contractor will maintain vehicular access to Baden Avenue and 3rd Lane. Drivers can expect minor delays. Construction flaggers will be deployed during material deliveries. Please always follow the signs and safety personnel instructions.

CALTRANS SAFETY ENHANCEMENT PROJECT ON STATE ROUTE 82 (El Camino Real)

Caltrans is continuing a safety enhancement project in the city along State Route 82 (El Camino Real) through February 2024 (weather dependent). The project includes installing accessible pedestrian signals and countdown pedestrian signals at various locations. Work also includes painting red curbs from crosswalks to enhance safety for pedestrians and cyclists. Adding the red curbs is expected to enhance the sight lines between a pedestrian waiting to cross at the crosswalk and approaching traffic. Because of the safety enhancements, some parking spots are being removed.

Project will be impacting two locations in South San Francisco at Country Club Drive and Ponderosa Drive.
