CONSTRUCTION PROJECTS IN SSF

428 BADEN AVENUE

The sidewalk along the project's Baden Avenue frontage is closed. The sidewalk will be reopened in a subsequent phase of work. Pedestrian detour signage is deployed, noting a safe path of travel around the work area. Additionally, the project expects daily material deliveries, and additional truck traffic is expected. The contractor will maintain vehicular access to Baden Avenue and 3rd Lane. Drivers can expect minor delays. Construction flaggers will be deployed during material deliveries. Please always follow the signs and safety personnel instructions.

El CAMINO REAL (Between Arroyo Dr. and Kaiser Way)

Improvements continue along El Camino Real between Arroyo Drive and Kaiser Way as part of the Grand Boulevard project which includes improvements to sidewalks, planting, roadway, lighting, and landscaping. Work is currently focused along the southbound side of El Camino Real and Del Paso Drive. Minor lane shifts will be deployed as work is underway along El Camino Real (weather dependent). Pedestrian detour signage when required will be deployed, noting a safe path of travel around the work area. Drivers can expect minor delays. Please always follow the signs and safety personnel instructions.

GRAND AVENUE & AIRPORT BOULEVARD STREETSCAPE IMPROVEMENT

Streetscape improvement work at the intersection of Grand Avenue and Airport Boulevard continues. The work will improve all four corners of the intersection, including the medians. The work is being phased to minimize impacts. Less impactful work will be performed between 9:00 a.m. and 3:00 p.m. Monday through Friday while more impactful work will occur at night between the hours of 7:00 p.m. to 5:00 a.m. (weather permitting). The work will result in single-lane closures impacting northbound & southbound travel along Airport Boulevard and Grand Avenue intersection. Delays are expected

during working hours.

Commuters are encouraged to use alternate routes. Construction flaggers will be deployed to help maintain vehicular travel when necessary. Pedestrian detour signage will be deployed, routing pedestrians around the work zones. Pedestrian access to Caltrain Station is maintained. Please always follow the signs and safety personnel instructions.

PG&E SUBSTATION (Gateway Blvd between E. Grand Ave and Oyster Point Blvd)

Work continues along Gateway Boulevard between E. Grand Avenue and Oyster Point Boulevard. Work will result in lane closure on northbound Gateway Boulevard and eastbound Oyster Point Boulevard. The work will proceed over the weekend to minimize disruptions on:

1. Saturday, February 24
2. Sunday, March 3

Travel through Gateway Boulevard and Oyster Point Blvd. will be maintained, but commuters are encouraged to use alternate routes as there may be momentary delays. Construction flaggers will be deployed to help keep vehicular travel when necessary. The sidewalks will remain open as work is underway.

SMART CORRIDORS EXPANSION PROJECT

The Smart Corridor Expansion project is a joint effort by the City and Caltrans to develop a traffic management system along key arterial corridors that parallel US-101 and I-380. The Smart Corridor program provides public agencies the tools to safely manage traffic congestion through local streets

during normal operating conditions, major freeway incidents, and special events.

The project stretches along the following:

1. Airport Blvd: US-101 (City limit) to Terminal Ct.
2. South Airport Blvd: Road 21 to Mitchell Ave.
3. Gateway Blvd: Mitchell Ave to Oyster Point Blvd.

Work will proceed daily (Monday through Friday). Some work will be performed at night to alleviate possible congestion resulting from this work.

February 5 to February 23, 2024 (Typical work hours 9:00am – 3:00pm)

- Southbound Airport Blvd. from Pine Ave to Lux Ave.
- Northbound and southbound Gateway Blvd. between E. Grand Ave and Mitchell Ave.
- Gateway and Oyster Point Blvd.
- Linden Ave, Canal to Baden
- Airport, Tower
- Northbound Airport, Pine and Sister Cities

More impactful work will be proceeding at night between the hours of 7:00 p.m. and 5:00 a.m. at the following locations:

- Northbound and southbound Gateway Blvd. between E. Grand Ave and Mitchell Ave.

Commuters can expect delays and are encouraged to use alternate routes.

The Centennial Trail Improvements project continues. General access is anticipated from South Spruce Ave. A temporary construction entrance will be installed on South Maple Ave for use through February 2024. South Maple Ave is currently closed to traffic for the neighboring development. Centennial Way Trail is currently detoured across South Maple Ave. This temporary construction entrance will impact users on the Trail intermittently during deliveries. Flagger will be available for these activity to direct trail users and construction traffic.

Work hours are Monday through Friday 8:00 a.m. to 5:00 p.m. For additional information about this project, please visit www.ssf.net/parkprojects

OYSTER POINT IIC IMPROVEMENT PROJECT

Construction has begun Oyster Point Marina/Park. The entire section of East Basin Rd at Marina Blvd is closed during the duration of the project. The East portion of the Bay Trail will be detoured for the duration of the project, while the West portion will remain open except for a short periodic disruption. Pedestrian detour signage has been deployed, routing pedestrian around the open portions of the Bay Trail.

Parking lot is closed at the lower parking lot near the windsurf ramp and picnic area. The parking lot for trailers will be impacted by losing around 10 stalls for staging area but will remain open to the public.

The Oyster Point boat launch, fishing pier, public bathrooms and Dominic's at Oyster Point will remain open during constructions. The Windsurf launch ramp will remain closed during construction.

30 TANFORAN AVENUE - SOUTHLINE DEVELOPMENT

Utility work continues impacting multiple streets and serving as a frontage to the project. The work is being phased to minimize vehicle and pedestrian travel disruptions. The work will proceed as follows:

- **South Linden Avenue** between Victory Avenue and Dollar Avenue parking will be restricted during working hours to allow temporary lane shifts to occur as work is underway between the hours of 7:00 a.m. and 3:00 p.m. Lane shifts will impact both the northbound and southbound travel on S. Linden Avenue.
- **Dollar Avenue** between Tanforan Avenue and S. Linden Avenue parking will be restricted during working hours to allow temporary lane shifts to occur between the hours of 7:00 a.m. and 5:00 p.m. Lane shifts will impact both the northbound and southbound travel on Dollar Ave.
- **Tanforan Ave** between Dollar Avenue and S. Maple Avenue parking will be restricted during working hours to allow temporary lane shifts to occur between the hours of 7:00 a.m. and 5:00 p.m. Lane shifts will impact both the northbound and southbound travel on Dollar Ave.
- **South Maple Ave** between Browning Way to Tanforan Avenue will be closed. South Maple Ave will have NO access for traffic vehicles except for emergency vehicles. A portion of Centennial Way Trail will also be closed, pedestrian traffic will be rerouted to the sidewalk on the east side of South Maple Avenue. The closure will remain for the whole duration of work.

Commuters can expect delays and are encouraged to use alternate routes. Construction flaggers will be deployed to help maintain vehicular travel. Please always follow the signs and safety personnel instructions.

2023 STREET SURFACE PROJECT

City continues work on its 2023 Street Improvement Project along various streets west of US-101 (see map below). Work will be phased to minimize impacts from construction. Work will proceed daily between the hours of 7:00 a.m. and 5:00 p.m.

Work to repair failed concrete, curb, gutter and valley gutter sections is complete.

Repair of failed street sections (Base Repairs) will occur during the upcoming two weeks in the following locations:

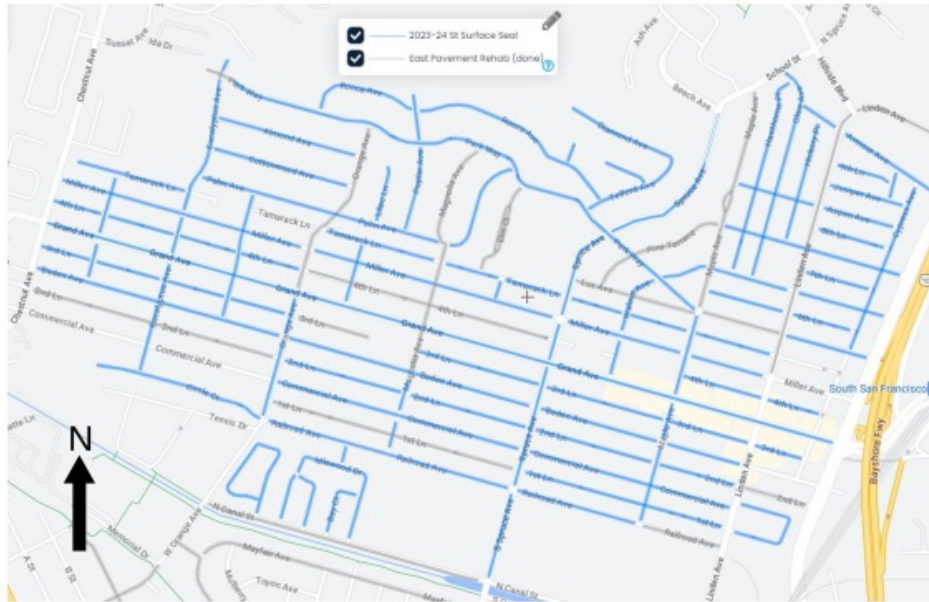

February 12-16 through February 19-23:

- Park Way from Eucalyptus Ave to Maple Ave.
- Rocca Ave from Park Way to Telford Ave.
- Poplar Ave from Palm Ave to end.
- Grand Ave from Airport Ave to Orange Ave

Notice will be posted along impacted areas 72-hours in advance of impact. Local access will be maintained throughout most phases of work. Delays are

expected and commuters are encouraged to use alternate routes. Please always follow the signs and safety personnel instructions.
