CONSTRUCTION PROJECTS IN SSF

30 TANFORAN AVENUE - SOUTHLINE DEVELOPMENT

Utility work continues impacting multiple streets and serving as a frontage to the project. The work is being phased to minimize vehicle and pedestrian travel disruptions. The work will proceed as follows:

- **South Linden Avenue** between Victory Avenue and Dollar Avenue parking will be restricted during working hours to allow temporary lane shifts to occur as work is underway between the hours of 7:00 a.m. and 3:00 p.m. Lane shifts will impact both the northbound and southbound travel on South Linden Avenue.

- **Dollar Avenue** between Tanforan Avenue and South Linden Avenue parking will be restricted during working hours to allow temporary lane shifts to occur between the hours of 7:00 a.m. and 5:00 p.m. Lane shifts will impact both the northbound and southbound travel on Dollar Avenue.
- **Tanforan Avenue** between Dollar Avenue and South Maple Avenue parking will be restricted during working hours to allow temporary lane shifts to occur between the hours of 7:00 a.m. and 5:00 p.m. Lane shifts will impact both the northbound and southbound travel on Dollar Avenue.
- **South Maple Avenue** between Browning Way to Tanforan Avenue will be closed. South Maple Avenue will have NO access for traffic vehicles except for emergency vehicles. A portion of Centennial Way Trail will also be closed, pedestrian traffic will be rerouted to the sidewalk on the east side of South Maple Avenue. The closure will remain for the whole duration of work.

Commuters can expect delays and are encouraged to use alternate routes. Construction flaggers will be deployed to help maintain vehicular travel. Please always follow the signs and safety personnel instructions.

428 BADEN AVENUE

The sidewalk along the project's Baden Avenue frontage is closed. Pedestrian detour signage is deployed, noting a safe path of travel around the work area. Additionally, the project expects daily material deliveries, and additional truck traffic is expected. The contractor will maintain vehicular access to Baden Avenue and 3rd Lane. Drivers can

expect minor delays. Construction flaggers will be deployed during material deliveries. Please always follow the signs and safety personnel instructions.

CENTENNIAL WAY PARK SOUTH

The Centennial Trail Improvements project continues. Access to the project is from South Spruce Avenue using the maintenance driveway. Construction traffic will be temporarily directed into the construction area from South Spruce Avenue using Centennial Trail. Trail users may be impacted. Flaggers will be available to direct trail users and construction traffic during the temporary construction vehicle detour.

Work hours are Monday through Friday 8:00 a.m. to 5:00 p.m. For additional information about this project, please visit www.ssf.net/parkprojects.

El CAMINO REAL (Between Arroyo Drive and Kaiser Way)

Improvements continue along El Camino Real between Arroyo Drive and Kaiser Way as part of the Grand Boulevard project which includes improvements to sidewalks, planting, roadway, lighting, and landscaping. Work is currently focused along the southbound side of El Camino Real and Del Paso Drive. Minor lane shifts will be deployed as work is underway along El Camino Real (weather dependent). Pedestrian detour signage when required will be deployed, noting a safe path of travel around the work area. Drivers can expect minor delays. Please always follow the signs and safety personnel instructions.

GRAND AVENUE & AIRPORT BOULEVARD STREETSCAPE IMPROVEMENT

Streetscape improvement work at the intersection of Grand Avenue and Airport Boulevard continues. The work will improve all four corners of the intersection, including the medians. The work is being phased to minimize impacts.

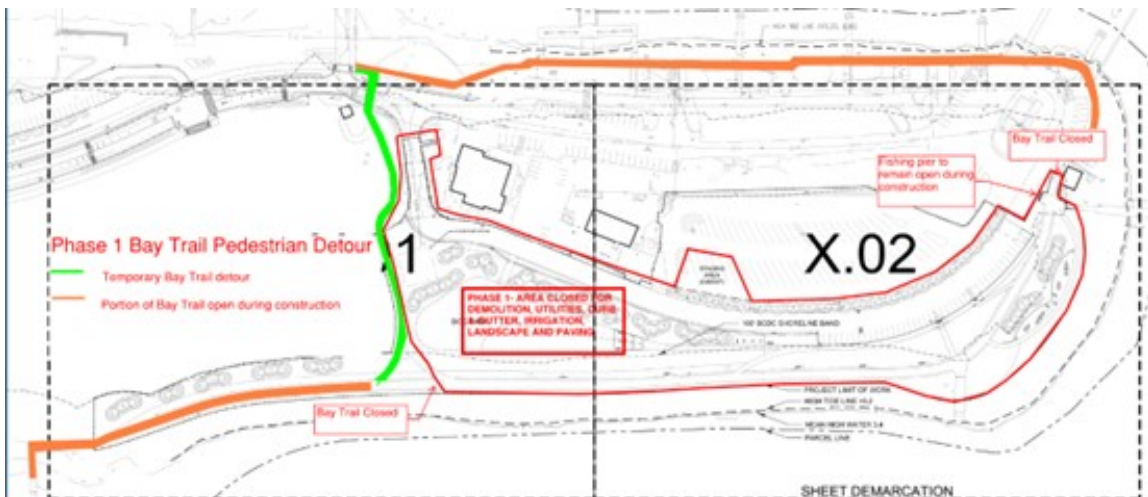

Commuters are encouraged to use alternate routes during workdays. Work hours are between 9:00 a.m. and 4:00 p.m., Monday through Friday (weather dependent). Construction flaggers will be present to assist with vehicular travel as needed. Pedestrian detour signage will be

in place to guide pedestrians around the work zones. Access for pedestrians to the Caltrain Station will be maintained. Please adhere to signs and follow instructions from safety personnel for your safety and that of others.

OYSTER POINT IIC IMPROVEMENT PROJECT

Construction continues at the Oyster Point Marina/Park. The entire section of East Basin Road turning into Southeast on Marina Boulevard is closed for the duration of the project. The East portion of the Bay Trail will be detoured, while the West portion will remain open except for a short periodic disruption. Pedestrian detour signage has been deployed, routing pedestrian around the closed portions of the Bay Trail.

Parking lot is closed at the lower parking lot near the windsurf ramp and

picnic area. The trailer parking lot will lose parking stalls as these will be used as a staging area, but the rest will remain open to the public.

The Oyster Point boat launch, fishing pier, and public bathrooms will remain open during construction. The Windsurf launch ramp will remain closed.

PG&E SUBSTATION (Gateway Boulevard between E. Grand Avenue and Oyster Point Boulevard)

Work continues along Gateway Boulevard between East Grand

Avenue and Oyster Point Boulevard. Work will result in lane closure on northbound Gateway Boulevard and eastbound Oyster Point Boulevard. The work will proceed over the weekend to minimize disruptions on Saturday, April 20.

Travel through Gateway Boulevard and Oyster Point Boulevard will be maintained, but commuters are encouraged to use alternate routes as there may be momentary delays. Construction flaggers will be deployed to help keep vehicular travel when necessary. The sidewalks will remain open as work is underway.

As part of this work, PG&E will be coordinating with impacted businesses/customers as there is an expected power outage. Businesses/customers impacted will receive a notice directly from PG&E if they fall on the impact zone. Power outage is expected on Saturday, April 20.

The Smart Corridor Expansion project is a joint effort by the City and Caltrans to develop a traffic management system along key arterial corridors that parallel US-101 and I-380. The Smart Corridor program provides public agencies the tools to safely manage traffic congestion through local streets during normal operating conditions, major freeway incidents, and special events.

The project stretches along the following:

1. Airport Boulevard: US-101 (City limit) to Terminal Court
2. South Airport Boulevard: Road 21 to Mitchell Avenue
3. Gateway Boulevard: Mitchell Avenue to Oyster Point Boulevard

Work will proceed daily (Monday through Friday). Some work will be performed at night to alleviate possible congestion resulting from this work.

April 22 to May 3, 2024 (Typical work hours 9:00 a.m. – 3:00 p.m.)

- Northbound and Southbound Gateway Boulevard between East Grand Avenue and Mitchell Avenue
- Linden Avenue, Canal Street to Baden Avenue
- Southbound South Airport from Canal Street to San Bruno Avenue

Commuters can expect delays and are encouraged to use alternate routes.
