Honoring our South San Francisco Police Department

Please join me in honoring the people who make up our distinguished South San Francisco Police Department for National Police Week. Thank you for keeping our communities safe, and helping make our city one to be proud of. This is also a time to honor our fallen police officers and to support the ones they left behind. We thank you for your sacrifice.

Celebrating National Public Works Week

As we celebrate National Public Works Week, let's recognize and celebrate the dedicated people of Public Works who manage operations in transportation, wastewater, stormwater, emergency management and first response, manage solid waste, right-of-way maintenance, and provide engineering services. We are grateful for all they do to improve quality of life for everyone here in South San Francisco!
