Orange Memorial Park Aquatic Center Construction Update

Construction of the NEW aquatic center at Orange Memorial Park is underway. Initial construction activities include installation of construction fencing, job trailers, and temporary power. The site is being cleared, and select elements have been relocated to make way for construction activities, including the Eternal Flame sculpture and Veterans' Memorial plaques. These items have been securely crated, removed from the site, and placed in storage. Before being reinstalled in the new Veteran's Memorial in early 2026, the Eternal Flame will be refurbished.

COMMUNITY RESOURCES

Upcoming BART Weekend Track Closure

Starting at 9 pm on Friday, May 31, and continuing until the early hours of Monday, June 3, BART will replace aging rail, enhance lighting in BART tunnels, and remove hazardous vegetation between Glen Park and Daly City stations. The benefits of this work will translate to a smoother, safer, quieter, and more reliable experience for our customers.

There will be no train service between 24th Street and Daly City stations the weekend of June 1-2. BART will operate a free bus bridge during the weekend construction. Free buses provided by MUNI and SamTrans will move riders between 24th Street and Daly City stations. Riders can expect delays of up to 30 minutes. The Glen Park and Balboa Park stations will be closed except for bus service.
