

Thank you for trusting us for your Internet and entertainment needs. Whether working, streaming, learning or gaming, you can do it all using Astound services. Our goal is to provide you with the fastest and most reliable experience each and every day.

As we strive to bring you the best services possible, we must periodically review our prices and update them in response to increases in expenses impacting our services. Effective on your August billing statement, the price for your current monthly services will be increasing, excluding applicable taxes, fees, and surcharges.

Below please find a summary of rate adjustments for specific fees and/or costs. Unless otherwise noted, the listed fees and/or costs are neither government mandated nor a tax imposed on you by the government; they are either a fee and/or cost Astound Broadband assesses and retains.

- Basic TV will increase by \$2.00. This fee applies to TV packages to help offset the costs of programming content and delivery of local and regional broadcast television signals.
- Preferred TV will increase by \$6.81. This fee helps offset the costs of programming and delivery of sports and entertainment networks such as Warner Bros. Discovery, Comcast/NBC Universal, ABC/Disney/ESPN, Fox, CBS and others.
- Premiere TV tiers such as Entertainment, Variety, and/or Sports will increase by \$1.00 each. This is to help offset the costs of programming and delivery of these networks.
- The Local Broadcast TV Surcharge will increase by \$3.18. This fee applies to all TV packages to help offset the costs of programming content and delivery of the local and regional broadcast television signals.
- Premium channels such as HBO, Cinemax, Showtime/TMC, and/or Starz will increase by \$1.00 each, MAX will increase by \$2.00, to help offset increased costs associated with programming and delivery of these networks.
- TV equipment will increase by \$3.00.
- Modems and/or routers used for internet service will increase by \$2.00.
- Enhanced Whole Home WiFi will increase by \$2.00.
- The Network Access and Maintenance Fee/Internet Infrastructure Fee will increase by \$3.96. This fee helps defray costs associated with building and maintaining our fiber-rich broadband network, as well as the costs of expanding network capacity to support the continued increase in customers' average broadband consumption.
- Landline telephone service will increase by \$1.00/month.

Periodically, franchise, utility, PEG fees and other government mandated fees and taxes are also adjusted in keeping with regulatory requirements. These fees and taxes are government mandated and we are required to comply.
