

San Mateo County Parks After-School Programs at the Library

Spring 2025

Location

SSF Main Library
2nd Floor, Community Room
901 Civic Campus Way

Dates and Time

Bird Adaptations - Wed, March 12
Food Webs - Wed, March 19
Animal Engineers - Wed, March 26

3:30 PM Each Session

Bird Adaptations

Learn how adaptations allow birds to coexist in San Mateo County and explore human impacts to migration routes.

Activities:

- Beak Shape feeding game
- Migration Madness game

Recommended for grades 1-5

Food Webs

Learn how food webs represent the transfer of energy in an ecosystem and discover animal feeding habits.

Activities:

- Food Web Demonstration
- Skull Activity

Recommended for grades 2-5

Animal Engineers

Explore the engineering feats of nature and learn about how engineers use nature as a model for human inventions.

Activities:

- Shape exploration activity
- Engineer a structure

Recommended for grades 2-8
