

Newspaper Source Plus Database Coverage List

"Cover-to-Cover" coverage refers to sources where content is provided in its entirety

"All Staff Articles" refers to sources where only articles written by the newspaper's staff are provided in their entirety

"Selective" coverage refers to sources where certain staff articles are selected for inclusion

Please Note:

Publications included on this database are subject to change without notice due to contractual agreements with publishers. Coverage dates shown are the intended dates only and may not yet match those on the product. All coverage is cumulative. Due to third party ownership of full text, EBSCO Information Services is dependent on publisher publication schedules (and in some cases embargo periods) in order to produce full text on its products.

Newspaper Source Plus Database Coverage List

"Cover-to-Cover" coverage refers to sources where content is provided in its entirety
 "All Staff Articles" refers to sources where only articles written by the newspaper's staff are provided in their entirety
 "Selective" coverage refers to sources where certain staff articles are selected for inclusion

Please Note:

Publications included on this database are subject to change without notice due to contractual agreements with publishers. Coverage dates shown are the intended dates only and may not yet match those on the product. All coverage is cumulative. Due to third party ownership of full text, EBSCO Information Services is dependent on publisher publication schedules (and in some cases embargo periods) in order to produce full text on its products.
