Preferential Parking Permit Instructions:

- If you were issued more than one permit, please make sure you place the correct permit on the appropriate vehicle.
Permits are to be placed on the driver side rear window.
If the address on your registration changes, or permit is applied to a vehicle not listed above, or is placed in the wrong location on the authorized vehicle, a citation may be issued.
Motorcycle permits should be applied to the front left of your motorcycle in a visible location.
Your permit is valid only in your neighborhood.

M.C. 11.70.080(a) Violation, penalty, revocation of Permit
